**To Whom It May Concern:**

I have the pleasure to write in recommendation of Sander Lemmens, whom I have known for the last year and who was the golf coach of my son, Tomasz.

Sander is a great golfer and an achievement-oriented, honest and effective teacher who gave us a lot of precious professional advice and oversaw my son's daily golf routine. He also accompanied Tomasz to junior golf tournaments worldwide and so, spending a lot of time with him, he rendered to their relation not only his professional skills and experience but also turned out to be a good friend and mentor.

I highly regard Sander's ability to communicate, willingness to accept responsibility, orientation at achievement and perseverance and I am glad that he has managed to pass at least some amount of these traits to his student. He certainly was a demanding but fair coach and I am glad my son had the opportunity to work with Sander.

As the year of our cooperation comes to an end, I am glad and much appreciative of all the positive things that came out of the relation and truly hope that in the future our paths will cross again.

Sincerely,  
Jerzy Gajewski
